

Dear Donie & David,

03 DEC 87

Hi. Just a short note to let you know all is well and to thank you for having us for Thanksgiving. We enjoyed seeing you guys (as we always do!) and Jeddler had a great time at the beach. Donie, your parents are very down-to-earth people and I had a ~~B~~ good time with them both. Please tell them we said hi.

As far as Christmas goes, we will do the turkey or ham or possibly a small one of both, depending on how many people we have. I may also make some jambalaya.

Whatever you want to bring is fine just let me know so I can coordinate the menu. I'm going to try and find out who all will be here by this weekend and I'll let you know.

You know, I'm so glad you guys decided to let me see Miranda. I feel much more at peace now just knowing she is okay and being able to see so for myself. It's nice to not have a hole in my life anymore. Thank you so much.

Anyway, I want to get this done before the mailman comes so I better say good-bye. Take care of yourselves and we will see you at Christmas.

Love ya,

Patto, Chuck, Geddes & Bey.

Hi sweetie! How are you doing today? We are all okay here, and everyone says to tell you hi.

Jedder is very excited that you will be coming here for Christmas. We decorated our house the other day so now all we need to do is get the tree.

I'm glad I got to spend Thanksgiving with you. It makes me feel all warm inside when I see you because I love you so much. I have to stop writing now but I will see you real soon.

I love you
Patti
